Report on Seminar

On

“Intellectual property rights and Patenting”

A one-day seminar on “**Intellectual property rights and Patenting**” was organized, jointly by **IQAC**(Internal Quality Assurance cell) and **ISTE** Faculty chapter of **SJCEM**, at the **MMS Hall** of **St. John College Of Engineering And Management, Palghar** on **Thursday, 7th June 2018** Conducted by **Adv. Anand Mahurkar** from **Pune**, in presence of **Mrs. Elvina D’souza** (Secretary, **Aldel Education Trust’s**), **Dr. Gopal V. Mulgund** (Principal, **St. John College Of Engineering And Management**), **Mr. K.K.Shetty** (Manager), **Prof. Shivaji Shelar** (HOD, **Mechanical Engineering and Coordinator, IQAC cell of SJCEM**). All the Dignitaries, Guest speaker, Industrial Delegates (3 Members from **KLT Automobiles and Tubular staff, Palghar**), 6 Faculty members from from **St. John Institute of Pharmacy and Research**, One Faculty member from **Rajiv Gandhi Institute of Technology, Mumbai**, and **Fifty Five** members from **SJCEM**, have participated in the seminar.

The Event was coordinated with the Team members including; **Prof. Parag Nikam**, **Asst. Professor, SJCEM**, **Prof. Avinash Chavan**, **Asst. Professor, SJCEM** & **Mr. Prasad Deshpande**, **Lecturer SJCEM**.

The session started with the **St. Francis prayer** as per the tradition and culture of **St. John campus**. The felicitation of the guest speaker **Adv. Anand Mahurkar** was done by **Mrs. Elvina D’souza** (Secretary, **Aldel Education Trust’s**). The felicitation of **Mrs. Elvina D’souza** was done by **Dr. Gopal V. Mulgund** (Principal, **St. John College of Engineering And Management**).

Introduction of the guest, **Adv. Anand Mahurkar** was done by **Mrs. Rojal Rodrigues**, **Asst. Professor, SJCEM**. The session started with in introduction of the **Intellectual property**. **Adv. Anand Mahurkar** used an example based on **Indian myth “Mahabharata”**, to explain the crowd about **Intellectual property** and how it can be protected, preserved, benefits of registration, generating capitals based on same. During his session he also explained the terms like “**Copyrights, Trademarks, Trade secrets etc.**” in detail with the number of **Case studies** and **live examples**. The value of the **intellectual property** is something as an individual can generate.

The next session of the **Adv. Anand Mahurkar** was on **Patenting**. In which **Adv. Anand Mahurkar** explained which are the things can be patented, the durability and the cost of the same. Once the patent is filed or registered, the concept of design, any symbol or diagram, the innovative ideas or technique which is unique and not obvious to the individual can be patented. The participants were updated after knowing the work done by **Adv. Anand Mahurkar** from 15 years of his experience, his contributions in the various industries, Clients and the revenue generated after **Patenting**.

At the end of session small question and answer session was conducted between the **Adv. Anand Mahurkar** and the participants. The **Dr. Gopal V. Mulgund** (Principal, **St. John College of Engineering And Management**) convey vote of thanks to all.

The session was concluded with “**National Anthem of India**”.
